

# Policy #3 – Weed Spraying on Municipal Property

Approval Date: January 11, 2018

---

## **Policy Statement**

This policy applies to property owned by the municipality of the Village of Delia and includes all parks, green spaces, vacant properties, sidewalks, streets and boulevards.

The Village of Delia does not have a weed spraying bylaw and as such, will utilize this policy in relation to any weed spraying programs that they may undertake.

## **Procedure**

1. The Village will decide upon a weed spraying program each year, depending upon the current situation and in consultation with Delia In Bloom and Starland County.
2. Weed spraying will be completed by a certified company that follows all rules and regulations for the product in use OR the employee that completes the weed spraying will be certified.
3. The Village will notify the citizens of the municipality of any weed spraying program through the monthly newsletter.
4. One week prior to the beginning of the program, the Village will deliver notices door to door advising the citizens.
5. If any citizens object to spraying in front or back of their property, the Village staff will ensure that the property is not sprayed.
6. For all weed spraying programs in the parks and green spaces, the Village will post signs on the day of spraying to advise citizens.
