

# IGNITE THE GIVING

DSES is fundraising to add a 9000 square foot Community Hub that will be constructed as part of the new Delia School build. The Community Hub has a total cost of \$1.2 million and will be 100% funded by the community. This shared programming space will allow the larger region to come together in an accessible & inclusive space for everyone to play, learn and grow.

This new, modern, multi-purpose school will ensure the long-term viability of Delia, whose community strongly believes that *the school is the community & the community is the school.*

# IGNITE

## THE GIVING

OUR SCHOOL. OUR COMMUNITY. OUR FUTURE.

Through priorities identified in the 2016 community-wide Value Management Assessment, DSES will focus its efforts on enhancing three main areas of the Delia School Replacement:

ANYONE CAN RAISE MONEY TO BUILD A BIGGER BUILDING, BUT GIVING OUR COMMUNITY A SPACE THAT WILL FACILITATE HEALTH, WELLNESS, & MULTI-GENERATIONAL LEARNING, WHERE EVERYONE CAN ENGAGE & GROW REGARDLESS OF AGE OR EXPERIENCE, WILL SUSTAIN THE FUTURE OF OUR COMMUNITY.

– RYAN DUCKWORTH, DELIA SCHOOL PRINCIPAL

### INSPIRING LEARNING

To augment a vibrant & innovative community library that enriches the learning of students of all ages.

**\$120,000 TO ADD  
40 SQUARE METERS**

Retaining 'bricks and mortar' style library space that exceeds its current size.

2

### BUILDING PROGRAMMING SPACE

A multi-purpose learning space for teachers' best practices to be optimized & to be accessible to the community & students for arts & wellness programming.

**\$450,000 TO ADD  
150 SQUARE METERS**

Used as classroom space, drama, music, art & fitness class area, as well as a viewing area for field house/gymnasium.

3

### EXPANDING CAPACITY IN ATHLETICS

Upgrading the gymnasium for current & future promotion of excellence in athletics & fitness programming in our community.

**\$630,000 TO ADD  
180 SQUARE METERS**

Upgrading to provincial high school regulation court requirements. Transition from allocated gymnasium to field house capabilities.
