

Your Mayor's Message #35

New Delia School courtesy of Iwanski Architects – Calgary, Alberta

Coming Soon! as you read this message, we are very close to seeing shovels in the ground and construction underway on Delia's New K-12 school. The Contractor has been chosen for the construction of the new school, the name to be revealed with the official announcement in the very near future. Everyone at DSES and the citizens at large have been waiting to see this finally happen. Upon completion and opening Delia is going to be home to a showcase building for all to be proud of, and the envy of many communities in Alberta. Everyone will want to come and live in Delia in order that their children can enjoy the benefits of attending a very modern up to date school with all the amenities of a great school.

JUST FOR LAUGHS!

'OLD' IS WHEN...

A sexy babe catches your fancy
and your pacemaker opens the garage door,

'OLD' IS WHEN...

You are cautioned to slow down by the doctor instead of by the police

Mayor**
