

**A dumpster has been placed at the
Recycling Area for the summer.**

**This dumpster will be emptied ONLY when it
becomes full, so PLEASE DO NOT put in any
material that will cause an offensive odour.**

**Also, PLEASE DO NOT dispose of
construction waste, metal, tires,
dangerous goods such as paint, thinners,
pesticides, oil, etc.**

**There is a bin at the Public Works yard for
items that are 100% metal**

Thank you for your cooperation.
